

Owasso Baseball Booster Club Meeting
Minutes for April 8, 2008

1. **The OBBC Meeting was called to order @7:00.**
2. **Attendance:** Approximately 30 players were represented.
3. **Financial Report:** Given by Elaine Kozma
Updates for 100-inning contributions, Arizona income/expenses, ball park pad expenses, and the expense for the new grill and cover were discussed. Other items were listed in the income/expense report.
4. **Program Suggestions:** Suggestions for a Nike Pro-Nine program were given. Team rosters would be beneficial for scouts attending the tournament. It was also suggested that advertisements be sold for next year's Owasso Baseball program. This would help offset some of the printing expenses.
5. **Senior Night:** Senior Night has been scheduled for the April 25th game vs. Sand Springs.
6. **Future Owasso Ram Night/25 Cent Hotdogs:** Additional help will be needed in the concession area for this event. Please volunteer your time. The JV team will be playing Cascia Hall at 4:30 and we will begin selling hotdogs during this game. The Varsity game against Sperry will begin at 7:00. If you can help during either game, please contact Michele Flynn.
7. **Freshman Tournament:** Concession help is needed.
8. **Scrapbook Page Reminder:** Scrapbook pages are due May 1st. The pages need to be 8" x 8". *Suggestions* for pages include: player's pictures, name, and a written message from the player.
9. **Work Day Projects:**
 1. A bench by the bull pen area needs to be installed. Before it can be done, some concrete work must be done. If you have experience in this area, please contact Jason Colt.
 2. A new, larger press box design is needed. The old press box will be taken down, and a new "double-decker" one will be built in its place. The idea is to have a place for scouts/special guests to view the game (lower level), and a larger area for the regular scoreboard/ announcer crew (upper level).
10. **Next Meeting:** Monday, May 12 @ 7 pm, The Lanes at Coffee Creek
11. **The meeting was adjourned at 7:23.**
